

# EARTHBOUND ON WII VIRTUAL CONSOLE!

You've played as **Ness in Super Smash Bros.**, now you can play the game that first made him famous!

Join Ness and his three friends to defend the world from the universal cosmic destroyer in **EarthBound**, now available on the **Wii Virtual Console for only \$8!** That's \$242 cheaper than buying it new on eBay!

IN EARTHBOUND YOU'LL FIGHT:

- ✓ **Hippies with toothbrush obsessions**
- ✓ **Talking piles of vomit**
- ✓ **Boozed-up businessmen**
- ✓ **Zombie dogs**
- ✓ **Living, maniacal taxicabs**
- ✓ **Melting clocks**
- ✓ **Floating electric eyeballs**
- ✓ **Cult leaders**
- ✓ **Haunted guitars and coffee cups**

See all this and MUCH more in the modern-day RPG that spawned a massive cult following and has gaming magazines talking about it even 12 years after its release! **Download it today on your Nintendo Wii Virtual Console!**
