

EARTHBOUND ON WII VIRTUAL CONSOLE!

You've played as **Ness in Super Smash Bros.**, now you can play the game that first made him famous!

Join Ness and his three friends to defend the world from the universal cosmic destroyer in **EarthBound**, now available on the **Wii Virtual Console for only \$8!** That's like \$40 cheaper than buying the cheapest used copy on eBay!

IN EARTHBOUND YOU'LL FIGHT:

- ✓ Exploding trees
- ✓ Putrid moldy men
- ✓ Walking hieroglyphs
- ✓ Insane bag ladies
- ✓ Cavemen who eat picnic lunches
- ✓ Mutant fish-tribesmen things
- ✓ Gigantic plague rats of doom
- ✓ Zombies from bad B-movies
- ✓ Martial artist policemen

See all this and MUCH more in the modern-day RPG that spawned a massive cult following and has gaming magazines talking about it even 12 years after its release! **Download it today on your Nintendo Wii Virtual Console!**
